**Notes:**

- Pickup orders require a 25% deposit. Other orders must be paid in full.
- We must collect 6% sales tax on all shipments to Pennsylvania addresses. That tax is based on value of the trees and the cost of the shipping.
- We ship within the continental US only. Some states restrict import of certain species such as rhododendron. Since these rules change frequently, it is the customer's responsibility to check with the local USDA to be sure that it is legal to receive those species prior to ordering.
